

**YOUR BILLING RIGHTS  
KEEP THIS NOTICE FOR USE**

This notice contains important information about your rights and our responsibilities under the Fair Credit Billing Act.

**NOTIFY US IN CASE OF ERRORS OR QUESTIONS ABOUT YOUR BILL**

If you need more information about a transaction on your bill, or think your bill is wrong, write us at Customer Service P.O. Box 30495, Tampa, FL 33630 as soon as possible. We must hear from you no later than 60 days after we sent you the first bill on which the item(s) in question or error appeared. You can telephone us, but doing so will not preserve your rights. **DO NOT INCLUDE YOUR LETTER WITH YOUR PAYMENT.**

In your letter, give us the following information:

- Your name and account number.
- The dollar amount of the suspected error.
- Describe the item in question or suspected error and explain if you can, why you believe there may be an error. If you simply need more information, describe the item you are not sure about.

**YOUR RIGHTS AND OUR RESPONSIBILITIES AFTER WE RECEIVE YOUR WRITTEN NOTICE**

We must acknowledge your letter within 30 days, unless we have corrected the error by then. Within 90 days, we must either correct the error or explain why we believe the bill was correct.

After we receive your letter, we cannot try to collect any amount you question, or report you as delinquent. We can continue to bill you for the amount you question, including Finance Charges, and we can apply any unpaid amount against your credit limit. You do not have to pay any questioned amount while we are investigating, but you are still obligated to pay the parts of your bill that are not in question.

If we find that we made a mistake on your bill, you will not have to pay any Finance Charges related to any questioned amount. If we did not make a mistake, you may have to pay Finance Charges, and you may have to make up any missed payments on the questioned amount. In either case, we will send you a statement of the amount you owe and the date that it is due.

If you fail to pay the amount that we think you owe, we may report you as delinquent. However, if our explanation does not satisfy you and you write to us within 10 days telling us that you still refuse to pay, we must tell anyone we report you to that you have a question about your bill. And, we must tell you the name of anyone we reported you to. We must tell anyone we report to that the matter has been settled between us when or if we reach a final settlement.

**SPECIAL RULE FOR CREDIT CARD PURCHASES**

If you have a problem with the quality of property or services that you purchased with a credit card, and you have tried in good faith to correct the problem with the merchant, you may have the right not to pay the remaining amount due on the property or services. There are two limitations on the right:

- (i) You must have made the purchase in your home state or, if not within your home state, within 100 miles of your current mailing address; and
- (ii) The purchase price must have been more than \$50.00

**HOW FINANCE CHARGES ARE CALCULATED  
MONTHLY STATEMENT**

A billing statement is mailed each month when there is a balance due or credit balance of at least \$1.00.

**FINANCE CHARGE INFORMATION**

1. On purchases of Merchandise and Services, if there is no previous balance no Finance Charge will be assessed on currently billed purchases if you pay for them within 25 days after the Statement Date shown on the statement. If there is a previous balance however, the Finance Charges is calculated by applying the periodic rate shown on the front of the statement to the Average Daily Balance of the account including currently billed purchases from the date they are processed to your account.
2. On Cash Advances a Finance Charge is assessed on all cash advances from the date they are processed to your account until the date we receive your payment in full on the account, by applying the periodic rate shown on the front of the statement to the Average Daily Balance of such advances regardless of any previous account balance. Refer to Section (6) under "Customer Payment Schedule."

**AVERAGE DAILY BALANCE CALCULATION**

The Average Daily Balance used to determine the Finance Charge is calculated as follows:

1. Begin with the "Previous Balance" shown on the statement and subtract the Finance Charge billed on the previous statement, and any other prior unpaid Finance Charge, to obtain the principal balance.
2. Determine a daily balance for each of the days during the billing period. (The billing period begins the day after the previous statement date and continues through the current statement date.) To arrive at each daily balance: add that day's purchases and cash advances to the previous day's daily balance and/or Subtract that day's payment(s) and credit(s) from the previous day's daily balance except, on the first day when the principal balance is used.  
NOTE: Before the billing period's first payment/credit is applied to a daily balance, any prior unpaid Finance Charge must be subtracted from the payment/credit. The remainder of the payment/credit is then subtracted from that day's balance.
3. Add each daily balance from (2) and divide the total of this balance by the number of days in the billing period, to determine the Average Daily Balance on the account. (Billing periods will vary depending upon the number of days in the calendar month.)
4. Multiply the Average Daily Balance from (3) by the periodic rate shown on the front of the statement to determine the amount of Finance Charge assessed during the billing period.
